

Jaunt

Burgess Ventures is a company that specializes in the production of elaborate hospitality and outdoor events. If you reside or are visiting New York City, we offer an alternative to taking the train, renting a car, driving, booking a hotel, getting lost, asking for directions, figuring out where to go, when to go, how to get there, where to eat, which spots to visit and where to sightsee in the East End. We plan and host all-inclusive day trips, which are food, wine and hospitality driven, and place you in the center of it all, in eastern Long Island. The production is called JAUNT.

Jaunt is an elaborate all-inclusive day trip to the North Fork, Shelter Island, South Fork, The Hampton's, Montauk and points between for business or sheer pleasure. Each package has a different excursion planned, but generally consists of: Breakfast, Wine Vineyard Tours, Museum Tours, Sightseeing, Shopping, Lunch, Cocktail Hour, 3-Course Dinner, Admission to a Lounge/Hotel, Full Service Round-Trip Transportation, Fun and Relaxation throughout the day. As we advance, we will occasionally visit seasonal festivals throughout eastern Long Island as well.

We have various packages designed to help anyone unwind. While on daycation, you will find that BURGESS VENTURES has all bases covered with our geographical knowledge, attention to detail, courteous service and love for hospitality. Do you deserve a daycation?
